

Subject: COVID-19 and Influenza Immunizations Available for Residents

Dear Families,

We hope this message finds you well.

As part of our ongoing commitment to the health and safety of our community, we are pleased to inform you that we will be offering **COVID-19 and Influenza immunizations** to all Residents who wish to receive them.

These vaccinations are a vital step in protecting our Residents from seasonal illness and reducing the risk of complications associated with both viruses. Immunizations will be administered on-site by our nurses, ensuring a safe and convenient process for everyone involved.

You will be contacted prior to October 20, 2025 to see if your loved one would like to receive either or both immunizations. Should you have any questions our team is here to help.

Thank you for your continued support and partnership in keeping our community healthy.
